PERSHING MAY COME BACK BY RAILROAD

(By Associated Press.) COLUMBUS, N. M., Jan. 8.—Artillery, infantry and quartermaster commands in General Pershing's punitive expedition may be brought to the border over the Mexico Northwestern railroad, instead of overland from Colonia Dublan, Mexico, to Columbus.

The transportation of the less mobile forces over the Mexican railroad are being discussed here as a possibility by army officers. Officers here differ, however, as to the expediency of the arrangement at this time, and some of the officers at the field base believe that General Pershing will make the march from Colonia Dublan to the border, as he did going into Mexico. Should arrangements be made for bringing the artillery, infantry and quartermaster commands to the border by train, only the cavalry and motor truck columns will come overland to the border.

ECLIPSE OF MOON VISIBLE LAST NIGHT

A total eclipse of the moon was visible in Tonopah last evening beginning at 10:10 o'clock and reaching total at 11 o'clock and lasting to 12:29 this morning. The most interesting feature of the phenomenon was the fact that the moon was visible while eclipsed wherever the moon was clear on the edge of the earth; that is, at the continually moving border at which the sun is rising or setting. This is due to sunlight passing around the edge of the earth into the shadow zone.

GREEK CHRISTMAS OBSERVED SUNDAY

The Greek Christmas, which follows the old calendar before the change caused by the decree of Pope Gregory and therefore falls twelve days later than the Latin festival, was observed yesterday by the Slavonian race with merry making in subdued form owing to the sadness of the war. Every Slavonian saloon and store was closed and men and women made social calls, at which hospitality was dispensed with liberal hand. Charity also was practiced by gifts of food and clothing to the poor and in this way some heavy hampers found their way into homes that otherwise would have been cheerless.

(By Associated Press.) ROME, Jan. 8.—The Giornale d'Italia publishes the following note: "The third meeting of the entente allied delegates was held today. Yesterday the political and military missions met first in general session and then separately. "We are able to affirm that already the results have been very important and favorable, as will be seen when executed. The conference has no fixed period; it will last until the completion of the discussion on the program."

Among those taking part in the conference, which is being held under the presidency of the Italian premier, Signor Boselli, are the British premier, David Lloyd George, and Viscount Milner; the French premier, M. REPORTED STRIKE ON THE SPEARHEAD

STRIKE SAID TO HAVE BEEN MADE ON THE KERNICK PROPERTY

This morning and yesterday afternoon there was active bidding for stock of the Spearhead Gold Mining company on the strength of a report that the company had picked up the Wheeler vein on the 450 drift, where it was not expected to find an ore body for another 100 feet, which would have required thirty days to reach. First reports caused buyers to offer ten cents a share, but this morning the stock was offered at eight cents, which quickly stiffened to 10 and then softened off to 9 cents. No official statement was forthcoming.

The chief took a handful from the prisoner, whom he locked up in jail pending further investigation. Sauerwein has been in camp for a month without doing any work.

LOST BURRO MILL WILL BE RUSHED

Three carloads of machinery are sidetracked at Bonnie Clare, being unloaded for the Lost Burro mine in the Ubehebe district, owned by the Montana company, where a mill is under construction. A. J. G. GENERAL THOMAS IS SHIPPING GOOD ORE

Five carloads of ore have already been shipped from the General Thomas property on Lone mountain by the new leasers, L. J. Walker and A. J. Kane. Mr. Walker showed the smelter returns to the Bonanza today. They ranged from \$40 to \$49 a ton net. These shipments have been taken out in the past two and one-half months and another carload is nearly ready to go forward.

Mr. Kane and Mr. Roberts bonded the ground from John Dorn of Salt Lake City and Christ and W. J. McCarthy of Tonopah. Their net earnings have enabled them to keep up substantial payments on the purchase price.

There is an abundance of good ore in sight. The General Thomas has been worked intermittently since 1874, but never has made so good a showing as at present.

AMUSEMENTS

A. & B. THEATER

William S. Hart appears in "The Patriot" at this house tonight. With the present crisis in Mexico and the ceaseless agitation for preparedness, the thesis of this story, which upholds the sentiment of "America First," will attract considerable attention. The story revolves about a red blooded patriotic Yankee who settled on government property. Through the machinations of some gamblers and the connivance of land thieves his property is taken away from him. In vain he tries to get Uncle Sam to help him. In a moment of revulsion he curses his aggressors and his native land. He aligns himself with the forces against it and organizes a band of Mexican outlaws. Just as he is about to make an attack on an unprotected American town, he realizes that he is about to shed the blood of his own flesh and blood. The dying embers of his patriotic soul are rekindled.

Tomorrow, a five-reel Bluebird feature and International Weekly.

BUTLER THEATER

The feature tonight at the Butler will be E. H. Sothern, the world's most famous actor, who makes his debut in motion pictures in the Vitagraph Blue Ribbon production, "The Chatter." This is the picture that was scheduled to be shown here on Xmas day and is one of the very best productions ever turned out by the big Vitagraph company. The three motion pictures in which Mr. Sothern appears for the Vitagraph, of which "The Chatter" is the first, will form his last public appearance. The preliminary reel will be Pathe News, which will show among other pictures the Balkan campaign. A special musical program has been arranged during the first show. Souvenirs will also be given away at both night shows.

Tomorrow, "The Smugglers," featuring the popular stage comedian, Donald Brian, and Burton Holmes travels, "In Modern Athens."

There will be a jitney dance the evening of January 10 for the benefit of a worthy widow and children in need of help. All invited to come, have a good time and aid those who are deserving. Adv. J8-12
